The background is a dark, monochromatic illustration with a rough, textured appearance, possibly created with charcoal or heavy pencil. It features various abstract shapes and lines, including what looks like a circular object in the upper right and some elongated, pointed forms. A bright white speech bubble is centered in the upper half of the image, containing the text.

YOU CAN'T
GIVE UP...

NO...NO!

THUD

A person is shown from the chest up, wearing a large, light-colored, textured mask that covers their entire face. The mask has a rough, almost stone-like or bark-like texture. The person's hair is dark and curly. They are wearing a dark-colored top. A large, white, irregular speech bubble is positioned in front of the mask, containing the text "AH...".

SLIP

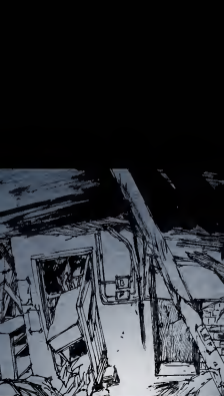

A close-up, high-contrast photograph of a white dog, possibly a Bull Terrier, lying down. The dog's head is the central focus, with its characteristic egg-like shape and dark, wrinkled skin around the eyes. The background is dark and textured, suggesting a wooden surface or similar material. The word "TREMBLE" is written in a stylized, white, outlined font across the middle of the dog's head.
